Meet Bob & Rob!

Meet Bob,
Our New Deer Repellent Mascot

[Click Here](#)

MEET BOB

Bob is your typical whitetail American deer. He is fun to look at, but when Bob gets into the yard his instincts take over and no flowering plant is left in sight.

After years of hard work, field testing, and gaining eco-friendly approval, we were ready to offer our products to everyone. Now Bob and his forest friends are no longer interested in our landscaping... but we can still enjoy them from a distance.

MEET ROB

Quite frankly nobody really likes Rob. Other than playing a critical role in the food chain he is an annoyance and made it impossible to enjoy our backyard.

After years of hard work, field testing, and gaining eco-friendly approval, we were ready to offer our products to everyone. Now Rob and his forest friends are no longer interested in our landscaping... but we can still enjoy them from a distance.

Get Everguard Swag

For over 18 years Everguard has been developing, testing, and deploying eco-friendly repellent solutions right here in the USA! Our Everguard Repellent formulas are commercially developed and safe for use around children and pets. Best of all, our non-offensive odor repellent products are proven effective and will not wash off in rain and snow. Currently, our repellent product line consists of Deer and Rabbit, Tick and Mosquito, and an All Purpose repellent. Each bottle comes with a 100% money back guarantee and has a Scan-able QR code for safety data, spray tips, and an automatic mixing chart. Please take 5 minutes to answer the questions on the quick quiz and join us in becoming an Everguard Brand Champion!
